

PEOPLE

Bernard Brauer, SPE, was elected to the Board of Directors of Unbridled Energy. He is a petroleum consultant and has held various positions in engineering, operations, economics, planning, and management. Brauer earned BS and MS degrees in petroleum engineering from the University of Texas at Austin.

DeAnn Craig, SPE, who served as 1998 SPE President, was nominated by Colorado Governor Bill Ritter to serve on the Colorado Oil and Gas Conservation Commission. She is currently an adjunct professor in the Petroleum Engineering Department at Colorado School of Mines. Craig earned a PhD degree, two MS degrees, and two BS degrees from Colorado School of Mines. She also earned an MBA degree from Regis University.

Martin S. Craighead, SPE, was named Senior Vice President and Chief Operating Officer of Baker Hughes. Before this appointment, he was Group President, Drilling and Evaluation for Baker Hughes. Craighead earned a BS degree in petroleum and natural gas

Sally Goldesberry, SPE's Senior Manager of Meetings and Exhibits, died 30 March after an illness. A 15-year SPE employee, Goldesberry had overall responsibility for the Society's meetings and tradeshow held in the Americas, and she also was Director of Meetings and Exhibitions for the Offshore Technology Conference.

Goldesberry was a recognized leader in the meetings and exhibitions profession. She was named Meeting Professionals International (MPI) Planner of the Year in 2006, served on the boards of three different MPI chapters, served on MPI's International Board of Directors twice, and was a past president of the MPI Dallas/Fort Worth Chapter. During her career, she received several honors from both MPI and the International Association of Exposition Management. A February article in *Tradeshow Week* magazine featured her as one of the top 15 association meeting planners in the US.

Goldesberry joined SPE in 1986 and was Manager of Meetings and Exhibitions until 1990, when she left the Society. After stints with the American Society of Mechanical Engineers and President of Meetings and Exhibit Specialists, she returned to SPE in 1990.

She is survived by her husband Roger; daughter, Margo Shearer and her husband, Parx, of Frisco, Texas; a brother, Steve Hays and his wife, Norma, of Boston, and several grandchildren.

engineering from Pennsylvania State University and an MBA degree from Vanderbilt University.

John Dick, SPE, was named Vice President of Europe, former Soviet Union, and Africa for Sensornet. He has years of experience and held numerous positions in the oil and gas industry. Dick earned a bachelor's degree in business administration from Florida International University.
